

NEW Lake Shore Temperature Brochure

January 2022

Lake Shore Cryotronics temperature products **BROCHURE**

Quantum Design UK and Ireland have just launched their new temperature products [brochure](#), covering the Lake Shore Cryotronics Temperature Sensors, Temperature Controllers and Temperature Monitors.

The brochure covers the extensive temperature product range and QD-UKI thought it would be helpful to have all the products in one place in order to quickly compare them.

What's Included?

- Cryogenic Temperature Sensors. Measure temperatures from <20 mK to over 1,500 K
- Cryogenic Temperature Controllers – Monitor & control temperatures from <300 mK to over 1,500
- Cryogenic Temperature Monitors – Monitor temperatures from 1.4 K to over 800 K

Lake Shore Cryotronics temperature products

Have a question about temperature monitors/controllers/sensors?

Get in touch with Dr. Satyam Ladva, our Technical Product Manager on 01372 378822 or email [here](#)
